# LIGHTED HEADWEAR

POWERFUL LED LIGHTING ON THE JOB,  
FOR YOUR HOBBIES, AND MORE!

**POWERCAP®**  
**2500**

With the LEDs on this cap concealed under the brim, the caps preserve the stylish look of traditional non-lighted ball caps.

2500 Series under-the-brim lighting angles the light downward to light-up where your hands and feet are at work or play while still providing useful forward lighting.

## Features:

- Patent Pending Concealed Under Brim Technology Puts Light Right Where You Need It for Close to Medium Range Tasks
- Pre-Curved Poly Visor with Patent Pending Lighting System Integration
- 6 Panel, Low Profile Washed and Brushed Cotton Twill (Licensed Camo is 60/40 Cotton Poly Blend)
- Adjustable Hook-and-Loop Tape Closure
- Two Replaceable Lithium CR-2032 Batteries
- 24 Lumens
- 68 Hours Run Time
- 13 Meters Forward Lighting
- Simple One-Click On/Off Brim Switch Operation
- One Size Fits Most

## The Best Cap For:

- **Concealed Lighting**
- **Close and Medium Range Tasks**
- **Low Cost / High Performance**

# LIGHTED EYEWEAR

POWERFUL TASK LIGHTING SOLUTIONS FOR  
SAFETY, READING & CONVENIENCE

**LIGHTSPECS®**  
LED SAFETY GLASSES

Combines high-quality ANSI Z87.1-2010 rated safety glasses with ultra-bright LEDs hidden in the temples to protect your eyes and light-up your work area at the same time!

Great for any project or workplace with poor lighting including plumbing – electrical work – auto repair – assembly – inspection work – power outages – home projects and crafts.

Our LIGHTSPECS® LED Lighted Safety Glasses provide hands-free direct lighting that replaces bulky flashlights, headlamps or work lights for electricians, plumbers, automotive professionals, installers and do-it-yourselfers.

## Features:

- 2 LED Patented lighting technology built right into the frames
- Meets ANSI Z87.1-2010
- OSHA Compliant
- 32 LUMENS of light output
- Anti-scratch/anti-fog coating on lenses
- Very lightweight
- 50+ hours continuous battery life (batteries included and are easily replaceable)
- 4 long life coin CR1632 lithium batteries included

As the population ages, we all need additional magnification and light for reading. LIGHTSPECS® combines patented, concealed LED technology and stylish reading glasses to create the perfect pair of LED lighted reading glasses. LIGHTSPECS is the perfect tool for reading in bed, while traveling or in dimly lit restaurants.

### Great For:

- Reading in bed without disturbing your partner
- Outdoor night-time reading
- Maps
- Crafts
- Restaurants

### Availability:

## ITZY BITZY™

ITZY BITZY™ lighted wallet readers are the most convenient way to have light and magnification at your fingertips. These LED magnifiers are the size of a credit card and easily fit into the slot in your wallet so you never have to be without them. Simply remove them from the credit card slot, attach them to the end of your nose, and you will be able to read checks in restaurants, prescription bottles, maps, etc.

### Great For:

- Restaurant Promotions
- Medical Promotions
- Eyewear Companies
- Promotions for Seniors
- Insurance Companies
- Banking
- Seniors/Retirement Groups

# LED FLASHLIGHTS

## REVOLUTIONARY PATENTED FLASHLIGHT DESIGN

**PANTHER VISION®** introduces **TRUE INNOVATION** back into the mature flashlight category. Innovation that will give your clients a reason to put flashlights into their premium programs again. These flashlights with their unique “pistol grip” design, fit comfortably in your hand and fit easily in your pocket, and will quickly become your customers’ favorites.

These **WATERPROOF** and **SHOCKPROOF LED** flashlights are engineered to exacting standards and crafted from aircraft grade aluminum and tactical polymer for lasting durability. With a choice of 3 models ranging from 210 Lumens to 1,000 Lumens and high and low settings, you can get the right light and battery life you need.

- **Patented Flat Design**

# BRING BRANDS TO LIFE WITH A WIDE VARIETY OF FUNCTIONAL LED HANDS-FREE AND HIGHLY INNOVATIVE LIGHTING PRODUCTS FROM PANTHER VISION FOR YOUR CLIENT'S NEXT PREMIUM OR PROMOTION!

Panther Vision is proud to offer four unique patented/patent pending product lines of innovative and wearable, LED lighting. All of our products are designed to be easily decorated and are a great way to draw attention to company logos and/or events.

## LED LIGHTED HEADWEAR:

The original **CAPLIGHT®** and **POWERCAP®** lighted headwear are what we are known for. With millions sold, we offer the largest selection of colors, styles and lighting options to provide you and your clients a solution for every application and budget. **POWERCAP®** concealed under-the-brim lighting technology and the **POWERCAP® 3555** fleece winter beanies are our latest innovation. The caps and beanies can be decorated like any conventional non-lighted caps.

## LIGHTED EYEWEAR:

**LIGHTSPECS®** Safety Glasses are ANSI Z87.1 certified with powerful LED lighting to assist in any task where hands-free lighting and eye protection are needed. They are great for working in tight spaces, for safety programs and have several decorating options. We also offer a complete line of **LIGHTSPECS®** lighted readers in diopters from 1.0 through 3.0 in black or tortoise frames in unisex styles. **ITZY BITZY™** Pocket Wallet Readers provide low cost, highly useful magnification and lighting that fits in a credit card slot in your wallet. They are great for dark restaurants, travel and reading fine print.

## REVOLUTIONARY FLASHLIGHT DESIGN:

**PANTHER VISION®** introduces **TRUE INNOVATION** back into the mature flashlight category.

The power, features and comfort of our patented design will WOW your clients. They come packaged in a gift box and have several decorating options.

These **WATERPROOF** and **SHOCKPROOF** LED flashlights are engineered to exacting standards and crafted from aircraft grade aluminum and tactical polymer for lasting durability. With a choice of 3 models ranging from 210 Lumens to 1,000 Lumens and high and low settings, you can get the right light and battery life you need.

## UNIQUE WATERPROOF UTILITY LIGHTING:

**BUTTON LAMPS™** are small but powerful stick-on lights that are a great value. They can go just about anywhere there is a need to light up a small space like a tool box or in a closet to a camping tent. They are designed for large giveaways with your message or logo. **SAFETY BUG®** is a small personal strobe light that makes you visible to others up to ½ a mile away. They include several attachment options to enhance usefulness. **SOLAR PAC™** 1400 Solar Lantern is the perfect lighting solution when an electrical outlet or batteries are not available. The battery is recharged by the sun during the day and will run all night.

There are many reasons that our products should be on your short list to recommend to your best clients but the number one reason is their usefulness which means **more impressions per promotional dollar**. Furthermore, we have designed our products for longevity driving the cost per impression down even lower. All of our LED lights have a life expectancy in excess of 50,000 hours or about ten years. **Panther Vision®** LED lighting products create a buzz wherever they go.
