

# Hardeman County Sheriff's Office

218 East Market

Paducah, TN, 38056

*John Doolen*  
Sheriff

*Ray Glass*  
Chief Deputy

To: Dan Babb

Thank you for the opportunity for us to use this tool with the Hardeman County Sheriff's Office. It has come to our attention that the hats have been utilized with the Hardeman County Sheriff's Office in many different ways. They have become a great asset to our office. Deputies have discovered they can use these hats to read drivers license while in their car and still have a clear view of the stopped vehicle. We have also discovered while removing debris from the roadway during the storms we had in the past several weeks the lights assist the officers while they can use both hands to pick up debris from the roadway.

I would greatly recommend any department to purchase these hats as they will assist with our daily activities especially when you need both your hands available for the unexpected.

Thank You,

  
John Doolen,  
Sheriff
