PANTHER VISION®

Uncommon Solutions for Common Problems™

A eureka moment can occur at any time, and for the founder of Panther Vision that moment came while sailing at night into a sudden storm. With hands busy frantically working the rigging and wheel, he was forced to hold the small flashlight that provided the only illumination by placing it in his mouth. Clearly, there had to be a better way, and with a flash of inspiration, the Panther Vision lighted cap was born.

Since launching Panther Vision out of a garage that doubled as a laboratory over 20 years ago, our founder and lead inventor Mike Waters has strived to find uncommon solutions for common problems. Mike's quest to improve lives through smarter lighting products has resulted in over 25 patents to date and a thriving company that lives to defy convention. From our humble beginnings to wherever the future takes us, we vow to design and manufacture every product to make people's lives a little brighter, every day.

OUR PROMISE TO YOU

Our patented designs offer you unparalleled performance at a great value, so that you can count on our products to perform when you need them. All Panther Vision products are backed by a limited lifetime warranty which means our quality and performance is backed up by more than just words.

CUSTOM FACTORY ORDERS

Specs:

- Minimum order quantity is 576 pieces, same style, same color and same decorating
- Quantities must be in increments of 48 pieces above the MOQ
- PMS color matching for embroidery thread
- Custom cap colors are based upon fabrics available in the local markets at the time of order
- PMS color matched fabric is available for orders of 3,250 pieces or more, add 30 days to standard lead time to custom dye and process fabric. Lower quantities available at an upcharge
- Decorating options include embroidery, silk screening, woven labels and fabric appliques priced per request
- Standard packaging for CAPLight™ and POWERCAP®:
 - 48 piece master cases with (4) 12 piece inners, 16" x 17" x 15" @ 16 lbs.
 - Optional : 144 piece master cases with (6) 24 piece inners, 25" x 19" x 22" @ 42 lbs.
- Standard packaging for POWERCAP® Beanies:
 - 48 piece master cases with (8) 6 piece inners, 24" x 20" x 9" @ 15 lbs.
 - Optional custom bulk packaging upon request
- Individual poly bags/custom labeling/bar coding/carton markings upon request at additional cost
- Drop shipments available for additional cost, MOQ = inner pack
- Lead-time is approximately 90 days

Terms:

- 50% deposit with order, lead-time starts with the receipt
- Pre-production sample will be provided in approximately 4 weeks
- No changes after approval
- Balance due N30 days with credit approval or prior to shipment
- FOB Santa Fe Springs, California or available for factory pick-up in China

Decorating & Cap Accessory Options:

DECORATING

- 3-D Foam Embroidery
- Woven Labels
- Embossing
- Felt Patch
- Screen Print
- Sublimation
